61-12-01-01. Definitions. For purposes of this chapter:

1. "Board" means the North Dakota board of pharmacy.
2. "Central repository" means a place where electronic data related to the prescribing and dispensing of controlled substances is collected.
3. "Controlled substance" means a drug, substance, or immediate precursor in schedules I through V as set out in North Dakota Century Code chapter 19-03.1 and any other drugs required by law to be monitored by the program.
4. "De-identified information" means health information that is not individually identifiable information because an expert has made that determination under title 45, Code of Federal Regulations, section 164.514, or direct identifiers and specified demographic information have been removed in accordance with the requirements of that section.
5. "Department" means the North Dakota department of human services.
6. "Dispense" means to deliver a controlled substance to an ultimate user by or pursuant to the lawful order of a practitioner, including the prescribing, administering, packaging, labeling, or compounding necessary to prepare the substance for delivery.
7. "Dispenser" means an individual who delivers a controlled substance to the ultimate user, but does not include:
 - a. A licensed hospital pharmacy that provides a controlled substance for the purpose of inpatient hospital care; or
 - b. A licensed health care practitioner or other authorized individual in those instances when the practitioner administers a controlled substance to a patient. For purposes of this section, administer means the direct application of a controlled substance to the body of a patient and does not include the prescribing of a controlled

substance for administration by the patient or someone other than the health care practitioner.

8. "Individually identifiable health information" has the meaning set forth in title 45, Code of Federal Regulations, section 160.103.
9. "Patient" means an individual or the owner of an animal who is the ultimate user of a controlled substance for whom a prescription is issued and for whom a controlled substance is dispensed.
10. "Prescriber" means an individual licensed, registered, or otherwise authorized by the jurisdiction in which the individual is practicing to prescribe drugs in the course of professional practice.
11. "Program" means the North Dakota prescription drug monitoring program implemented under NDCC chapter 19-03.5.

61-12-01-02. Dispenser Reporting.

1. Each dispenser licensed by a regulatory agency in the state of North Dakota who dispenses a controlled substance to a patient shall submit to the central repository by electronic means information regarding each prescription dispensed for a controlled substance. The information submitted for each prescription shall include all of the data elements in the American society for automation in pharmacy rules-based standard implementation guide for prescription monitoring programs issued August 31, 2005, version 003, release 000.
2. Each dispenser shall submit the information required by this chapter to the central repository at least once every day unless the board waives this requirement for good cause shown by the dispenser.
3. An extension of the time in which a dispenser must report the information required by this chapter may be granted to a dispenser that is unable to submit prescription information by electronic means if:
 - a. The dispenser suffers a mechanical or electronic failure or cannot report within the required time for other reasons beyond the dispenser's control; or
 - b. The central repository is unable to receive electronic submissions.
