

ACPE

Summary by Kevin Borchert

Mike Rouse, B.Pharm; MPS, Assistant Executive Director, gave a report from ACPE. (1) Discussed the ACPE application process for accreditation. Currently, there are approximately 400 accredited providers of CE. Hot topic in the Academy is the new standard requirements. (2) strategic planning -- a survey to gather feedback for potential improvement was completed to assist in planning. (3) Recommendation from CE Commission is to move forward more aggressively with regards to implementation of new models for life long journey of professional development. (4) Commercialism in continuing education is being reviewed very closely (5) Pharmacy Tech education and training accreditation by ACPE was also discussed.
