Extensive discussion followed about the best way to hold the May exams with NDSU College and the NDPhA Concept Pharmacy not available to the Board and Candidates due to the SARS-CoV-2 (Corona Virus) pandemic in place. After the discussion Dr. Hardy was charged with finding a virtual platform which we could use to deliver essentially the same exam we have been doing for the students.

The May meeting is scheduled for May 18, 19 and 20, 2020. The exams will be held on the 19th and 20th.

It was announced by Dr. Hardy that the North Dakota Board has been selected to receive the Fred T. Mahaffey award by NABP, recognizing the Board's efforts in protecting the public.

Pharmacist Tyler Lannoye has been selected the preceptor of the year by the NDSU students.

Pharmacist Tanya Schmidt has been appointed to another five-year term on the Board of Pharmacy by Governor Doug Burgum.

The NABP Annual meeting will be held in a virtual format this year on May 14th. Pharmacist Gayle Ziegler, as our delegate, asked for any input board members might have on the elections this year.

President Ziegler adjourned the meeting at 5:08 PM.
