ANNOUNCEMENT 2024 District Five Individual Study Grant

Criteria: NABP/AACP District Five will make available grant money, not to exceed **\$4,000.00** per grant, to award **two grants** within the district to study topics which benefit students, pharmacy education or pharmacy practice in general. Topics of interest to the boards and colleges in District Five are suggested, but researchers will not be limited to these topics. The grant recipients or designees are expected to present their report or findings at the District Five Annual Meeting in the year following the award.

Eligibility:

- Individual students with faculty or Board of Pharmacy advisor
- Student organizations with faculty or Board of Pharmacy advisor
- Faculty members
- Board of Pharmacy members

Application: Applications should not exceed five pages in length and should include the following information:

1. Rationale (background and reason for doing the study)
2. Specific goals of study (what are you trying to achieve)
3. Names of personnel involved
4. Methods by which goals will be attained
5. Date of completion (must be **prior to** the August 6-8, 2025, District Five NABP/AACP Annual Meeting in Iowa City, IA, so that the results can be presented there)
6. Justification of use for funds received (budget)

Selection of Recipient:

The District Secretary/Treasurer will call for applications from Deans, department heads, and ASP advisors at member colleges of pharmacy and from member boards of pharmacy. Applications are due to the Secretary/Treasurer (Lloyd K. Jessen) by April 30, 2024 and will then be distributed to the District Five Study Grant Committee. Selection and notification of the recipient(s) will be made by **June 1, 2024**.

Past Topics of Funded Study Grants Include the following:

- Use of Telepharmacy and Telehealth Technology to Prepare Pharmacy Students to Deliver Health Care to Distant Populations
- Advancing Practice for Pharmacy Technicians: A Comparison of Views
- Determining the Level of Stigma About Mental Health Held by Student Pharmacists in NABP/AACP District Five
- Physical Assessment in Pharmacy Education and Practice: An Evaluation of the Value and Feasibility of Incorporating Physical Assessment from the Care Provider and Public Perspective
- Employers' Perception of Key Variables in New Practitioners' Success When Entering the Pharmacy Workforce
- Determining Student Preferences of and Required Financial Incentives to Work in a Rural and Medically Underserved Area in NABP/AACP District Five
